person**

Gavin de Becker and Associates

Gavin de Becker, one of the world's leading authorities on threat assessment, is a three-time presidential appointee whose pioneering work has changed the way our government looks at threats to our nation's highest officials. His firm, Gavin de Becker and Associates, Inc. (GDB, Inc.), advises many of the world's most prominent media figures, corporations and law enforcement agencies on predicting violence, and it also serves regular citizens who are victims of domestic abuse and stalking. Mr. de Becker is the bestselling author of THE GIFT OF FEAR. His books are now published in 14 languages.

Gavin de Becker and Associates. is a 100-person consulting firm that advises media figures, public figures, transnational corporations, government agencies, police departments, universities, and at-risk individuals on the assessment and management of situations that might escalate to violence. The firm specializes in the prediction of violence and the management of fear. They advise clients on the assessment and management of situations that might escalate to violence, and develop systems and strategies for improving high-stakes predictions.

After lengthy negotiations, the SFEB is pleased to announce that representatives from Gavin de Becker and Associates will come to Seattle December 7 and 8, 2005 to present "Violence in the Workplace—Crisis Response" tailored specifically to federal agencies. **Tuition for this class is being offered at \$495.**

This training is a great value and a golden opportunity to take advantage of training by the foremost experts in the field of threat assessment and management. More information about Gavin de Becker and Associates can be found at their website: <http://www.gavindebecker.com>. For questions regarding this specific conference, please call the SFEB at (206) 220-6171.

Violence in the Workplace—

Crisis Response

This program combines training concepts from a number of disciplines. Attendance is comprised of law enforcement, security, legal, employee assistance, human resources, mental health experts and other threat assessment professionals.

As practitioners who have managed more than 31,000 cases, the information Gavin de Becker and Associates provides is the real thing. Featured presenters will discuss the most advanced concepts for predicting violent behavior, and link each one to practical case management.

Discussion topics include

- ◆ case management strategies
- ◆ intervention decisions
- ◆ how to reduce vulnerability of a potential victim
- ◆ alarmist news media
- ◆ psychological trauma
- ◆ workplace violence
- ◆ difficult terminations
- ◆ assessing and managing threats
- ◆ domestic abuse
- ◆ and stalking in the workplace.

Actual cases are presented and then round-table discussions are conducted in which attendees and presenters explore the options at each "decision point."
